

Samuel Gilbert Public School

BICYCLE POLICY

Introduction

In New South Wales, the prime responsibility for transporting children to and from school rests with parents, not the school. As students riding to and from school does not occur within 'school hours' or on Departmental premises, and as it does not involve supervision by Departmental employees, the Department would deny legal liability for any accident or injury that occurred while students were riding to school.

Since 1st July, 1991 cyclists of all ages have been required by law to wear an approved bicycle safety helmet whenever they ride in a public place, including roads, cycle paths and parks.

It is the school's expectation that students traveling to and from school by bicycle will follow the law and correctly wear an approved bicycle safety helmet.

Students who wish to ride bicycles to school must collect a package from the school office and complete the forms as indicated.

Only when a Samuel Gilbert Public School 'bicycle licence' has been issued may a student ride to school.

The package includes:

- (a) Samuel Gilbert Public School Bicycle Policy Statement
- (b) The Roads & Traffic Authority Safety Notice for Scooters, Bicycles and Skateboards

As well as -

Forms to be signed and returned to school office:

- (a) Bicycle Permission Note: to be signed by parent and returned to school
- (b) Bicycle Users Contract: to be signed by the student and parent and returned to the school

When these conditions have been met the Deputy Principal will issue a Bike Rider Licence to the student. A bike can only be ridden to school after a Licence has been issued.

Any questions/concerns should be directed to the Deputy Principal on 9680 4477.
